## FOOD PROCESSING MACHINES

Email: info@reliefaidsuppliers.com

**Product Name:** 

Quantitative Sausage Filler

**Product Code:** FOOD-MET0047

## **Description:**

Quantitative Sausage Filler

## **Technical Specification:**

Features

Filling under vacuum condition

Quantitative filling

Wear and tear of blades will be renewed automatically

PLC touch screen

Servo drive system

Stator, Rotor, and Spindle, made in the CNC machining center, are highly accurate

No cracks or sharp edges, easy to clean
