

Product Name :
24 Hour Self Service Mask Vending Machine

Product Code :
FOOD-FCE0002

Description :

24 Hour Self Service Mask Vending Machine

Technical Specification :

Description: Custom disposable medical face mask vending machine

Dimension(mm): 1920(h) X1150(w)X795(d)

Weight: 340kg*Varies with tray configuration

Selection: 6 layers

Capacity: 240-480 products

Voltage: 110V/220V,60/50HZ

Power: 500W

Refrigeration system: The compressor adopts imported brand, quality guarantee, low energy consumption

Cabinet Material: Stainless Steel

Glass Door Material: Metallic keyboard Explosion-proof, dust-proof, water-proof luminous

Material:

large glass window to display goods(Double-layer tempered glass , safe and convenient ,display goods explicitly)

Explosion-proof, dust-proof, water-proof luminous full metal keyboard

Microcomputer control system with intelligent data query, statistics, accounting, fault diagnosis and other management functions

Refrigeration system using R134a refrigerating fluid, in line with international green environmental protection requirement.

Body material: All steel, durable

Main feature:

Adopt international standard design, up to international DEX standard

Support all kinds of international general standard peripherals
Customizable IC card payment, Sound control payment, Alipay, UnionPay, Mobile payment, Credit card payment
or other payment methods, support 232 computer serial control
