

Product Name :
Fruit Elevating Machine

Product Code :
FOOD-JCE0004

Description :

Fruit Elevating Machine

Technical Specification :

Fruit elevating machine adopts U type scraper blade which can prevent the fruits from stacking or falling.
Adjustable lifting speed ensures a more steady working performance
High working efficiency and long lifespan
Energy-saving and low noise
Production capacity(T/h): 2 5 10
Power(KW): 0.75 0.75 1.5
Size(mm: 3000*600*2500 3000*850*2500 3000*950*2500
