

Product Name :
Spiral Juice Extractor

Product Code :
FOOD-JCE0007

Description :

Spiral Juice Extractor

Technical Specification :

It adopts simple structure, easy to operate, clean and maintain.
It has high bearing capacity, which avoid deformation, blocking and slipping.
It is resistant to corrosion and abrasion, with long working life.
It can realize automatic crushing, juice extracting and slag discharging.

Size(mm)	Power(kw)	Capacity(t/h)
850*380*850	1.5	0.5
910*420*940	2.2	1
1300*700*1330	4	1.5
