

Product Name :
Citrus Essential Oil Extractor Machine

Product Code :
FOOD-JCE0008

Description :

Citrus Essential Oil Extractor Machine

Technical Specification :

Linear type design, easy to install, operate and maintain.
The pneumatic and electric parts adopts components from famous brands.
High automation and intellectualization. High extraction rate and low waste.
The essential oil machine can work in a orange juice production line or independently.
Production capacity(t/h): 3-5 5-10
Boundary dimension (mm): 3650*1100*1500 5000*2300*2000
Motor power (kw): 4.75 9
