

Product Name :
Full-Automatic Thermoforming Vacuum Skin Packaging
Machine

Product Code :
FOOD-SUK-TVP-109001

Description :

Full-Automatic Thermoforming Vacuum Skin Packaging Machine

Technical Specification :

Double-side Photocell Tracking
Fillet & Easy Tear Notch Punching
Mobile Printing Device
Automatic Deviation Rectification System
Dotted Line Packing Device
Whole Special Shape Punching
Width of Top Film: 398mm 498mm
Width of Bottom Film: 424mm 524mm
Vacuum: $\approx 200\text{Pa}$
Compressed Air: $\approx 0.6\text{Mpa}$
Air Consumption: $\approx 0.6\text{m}^3/\text{min}$
Air Filling Pressure: $\approx 0.2\text{Mpa}$
Punching Speed: 4-6p/min
Air Filling Connector: $\varnothing 16\text{PU}$ tube
Cooling Water: $\approx 0.15\text{Mpa}$
Power Supply: 380V/50HZ
Total Power: 12~18KW
