FOOD PROCESSING **MACHINES**

Product Name : Coconut Oil Liquid Filling Sealing Machine	Product Code : FOOD-OLM0002

	Cal.

Coconut Oil Liquid Filling Sealing Machine China Manufacturer

Technical Specification :

This machine is widely used for filling good fluidity products like Coconut Oil Liquid Filling Sealing Machine. It can work automatically or by pressing the pedal It is very convenient to use in a limited space This machine is controlled by filling time It can work automatically or by pressing the pedal

It is very convenient to use in a limited space
