

Product Name :
Convection Oven Automatic Stainless Steel

Product Code :
FOOD-OVN0004

Description :

Convection Oven Automatic Stainless Steel China Manufacturer

Technical Specification :

Voltage: 110V/220V/380V
Degree of automation: Automatic
Temperature control: 50~300°C
Baking tray size: 400*600mm
Power Rate (Kw): 0.75/8/16 KW
Energy: Electric/gas
Distance of each level: 10/12cm
