

Product Name :
Cone Maker

Product Code :
FOOD-FST0007

Description :

Cone Maker China Manufacturer

Technical Specification :

Size: 250*360*260mm

Volts: 220V 50-60Hz

Power: 1KW

Heating Method: Electric

Professional spraying process to create perfect non-stick coating.

The upper and lower double-sided heating mode, heating faster and more evenly, hide the cable in the stainless steel tube, safe and beautiful.

Precise temperature control, temperature range: 50-300°C.

Precise timer, timing time: 0-5 minutes.
