

Product Name :
Top Sliding Glass Door Island Freezer Refrigeration
Equipment

Product Code :
FOOD-REF1020002

Description :

Top Sliding Glass Door Island Freezer Refrigeration Equipment

Technical Specification :

Size(mm): 1850*850*830
Material: Painted steel
Temp settin: -18~-22°C
Refrierant: R404a
Cooling model: Direct Cooling
Door type: Sliding glass door
with heat reflective film demist automatic demist
