

Product Name :
Glass Doors Upright Drink Display Freezer Cooler
Beverage Refrigerator

Product Code :
FOOD-REF1060001

Description :

Glass Doors Upright Drink Display Freezer Cooler Beverage Refrigerator

Technical Specification :

Tem setting(°C): 0~10 0~10
Volume(L): 480 1240
Power(W): 300 480
Refrigerant: R134a/R22a R134a/R22a
Cooling system: Dynamic cooling Dynamic cooling
Voltage/frequency: 220v/50hz 220v/50hz
Rust-proof galvanized back plane,high-carbon wire dip non-toxic
Adjustable shelves,durable stainless steel door hinge
Aluminum alloy,ergonomic door handle,easy to pull,automatic return
Microcomputer temperature control,intuitive,accurate and easy to adjust
Automatic defrosting glass doors,electricity saving and worry saving
Imported compressor has long life span,stableoperation and good cooling effect
