

Product Name :
Glass Door Soft Drink Display Refrigerator with Sliding Door

Product Code :
FOOD-REF1060006

Description :

Glass Door Soft Drink Display Refrigerator with Sliding Door

Technical Specification :

Rust-proof galvanized back plane,high-carbon wire dip non-toxic
Adjustable shelves,durable stainless steel door hinge
Aluminum alloy,ergonomic door handle,easy to pull,automatic return
Microcomputer temperature control,intuitive,accurate and easy to adjust
Automatic defrosting glass doors,electricity saving and worry saving
Imported compressor has long life span,stableoperation and good cooling effect

Tem setting(°C)	0~10	0~10
Volume(L)	795	1216
Power(W)	420	540
Refrigerant	R134a/R22a	R22a/R134a
Cooling system	Dynamic cooling	Dynamic cooling
Voltage/frequency	220v/50hz	220v/50hz
