

Product Name :
Remote Compressor Type Multideck Glass Door Refrigerator

Product Code :
FOOD-REF1060009

Description :

Remote Compressor Type Multideck Glass Door Refrigerator

Technical Specification :

Rust-proof galvanized back plane,high-carbon wire dip non-toxic
Adjustable shelves,durable stainless steel door hinge
Aluminum alloy,ergonomic door handle,easy to pull,automatic return
Microcomputer temperature control,intuitive,accurate and easy to adjust
Automatic defrosting glass doors,electricity saving and worry saving
Imported compressor has long life span,stableoperation and good cooling effect

Tem setting(°C)	3~9/-22~-18°C	3~9/-22~-18°C	3~9/-22~-18°C	3~9/-22~-18°C
Voltage/frequency	220v/50hz	220v/50hz	220v/50hz	220v/50hz
Cooling system	Dynamic cooling	Dynamic cooling	Dynamic cooling	Dynamic cooling
