

Product Name :
Chest and Upright Frozen Food Display Combination
Freezer

Product Code :
FOOD-REF110006

Description :

Chest and Upright Frozen Food Display Combination Freezer

Technical Specification :

Cooling model: Dynamic cooling
Temp setting: 0~10 and -18~-22°C
Power: 220V
Frequency: 50/60HZ
Temp control: Electronic-automation
Shelf: Adjustable
Refrigerant: R404a
Location of cooling system: Inside
Castor: Universal wheel
Body: Coated steel board
