

Product Name :
Black Garlic Fermentation Machine

Product Code :
FOOD-MCN0011

Description :

Black Garlic Fermentation Machine

Technical Specification :

Capacity: 25kg/time
Power: 3.5kw
The electricity: 380V/50Hz,3P/others
Rack: 1 set
Tray: 5 sets
Processing cycle: 15-20 days
Control system: PLC intelligent
Control interface: Human interface, color LCD, touch-screen display
Temperature control range: $\pm 2^{\circ}$
Humidity control range: $\pm 3\%$
Inside material thickness: 1.5mm
Outside material thickness: 1,5mm
Insulation Materials thickness: 10mm Rock wool
Weight: 300kg
Overall dimension: 1400x1170x1480mm
